Welcome to all involved at Geelong Amateur Football & Netball Club

The major draw was a great day for the club with the following prize winners

2nd	\$ 1000	Xavier Ellison
3rd	\$ 500	B & K Ryan

Congratulations to these prize winner and to all who supported the day. Past players and life members day was held on Sat 15th May against Barwon Heads with a great day for past people of the club to catch up

and socialise and listen to Tom Hafey speak out his time in football as a player and coach and now on the public speaking circuit.

On the field we had great wins in the seniors and u18s on Sunday against Anglesea with the reserves competitive until the third quarter but ending up with a loss, we thank the Anglesea F & NC for hosting the Sunday game which was well supported.

SENIOR FOOTBALL NEWS

The coach returns from his visit to Africa and as mentioned in the last newsletter it was time for the senior group to respond to what was a disappointing afternoon against Barwon Heads. In between waiting for that improved performance there was a weekend of Interleague football where Anthony Fagan and Trevor Edwards represented the BFL. By all accounts they both played good games of football but unfortunately the BFL could not register a win, I am sure had our list been a bit more full strength then we would have had a few more representatives but well done to those guys.

On a chilly Sunday afternoon we travelled down to Anglesea which in my previous years of coaching has offered a bit of mix bag of results so I must admit I was a little apprehensive considering the result of the week prior. From a senior side it was a terrific result with 38 shots on goal although I would have liked the accuracy to be a little higher, something we will work on during the week. Reserves were disappointing considering the position they got themselves into at three quarter time but as the available player list grows during the next few weeks competition for spots in both levels will increase and this should see improved results across the board.

There has been some really positive signs in the last couple of weeks within the group and I just hope that it continues. We had a really good team development session on Tuesday this week and I trust that the results of this week against Portarlington will see the improvement in the entire group.

NETBALL NEWS

Our 'catch up' round VS Queenscliff - very quiet without the footy boys but that didn't stop us cleaning up on their shmick new courts. Honorable mentions must go to Faga's Under 13 girls who snuck away with a great win. The under

17s and 19s both had strong wins, continuing their good form.

D, C and B Grade were all big winners on the day. The D Grade coaching bench was slightly remodeled, with a younger version of the coach taking the reigns. Maff has been at the club for 9 long years now and has a vast netty knowledge - great to see it finally being put to use. However, if she offers you a sip of her Coke on the Barwon Club dance floor, say no.

The A Grade girls were simply too strong all over the court. great to see Jo starting to play some really strong body on body netball, and Robbo and Pommy getting a bit of court time in the ones.

As for the Sunday game against Anglesea...not sure about anyone else but it clearly took this happy netballer until the 2nd quarter to wake up! Anglesea are a traditionally strong and proud netty club and a successful day against them is a good sign. The Under 17s copped a lesson in netty - hopefully they will take some positives from it and start thinking about what they need to do if they want to be in the mix come finals time.

Great to see our number 2 ticket holder (number 1 is clearly Jet) Scabs show up to 'watch.' How was the view of the game from goal keeper, mate? Lesson learnt, always bring a sports bra when you come to watch us play, unless your me and can clearly borrow one from the under 11 girls.

This week sees the netty girls playing in changed conditions once again - an under lights match against Port at Kardinia Netty Courts to free up our Saturday for Ladies Day, a day when all our Ammos Ladies (and ladettes) come out to play.

- Nusk

Coordinators Update

Greetings Auskickers! Well, the date says it all – June 1 – first day of winter. And to celebrate, or commiserate, we've arranged a coffee van for this Friday! Espresso Alfresco will be down at the ground from 4.45pm.

What a great day was had by those who attended the Auskick Super Clinic at Skilled Stadium on Sunday. Around 60 Ammos kids were there, keen to show off their skills on the Cats' home turf. Despite a gloomy 24 hours prior, the morning itself was bathed in sunshine and blue skies and it was all a-go.

Whilst our kids may have missed getting up close to the likes of Ablett, Chappy and Stevie J, we were privileged to have the extended presence of Simon Hogan – if you were there you would agree his time with our kids was truly special – and young gun Jack Weston. Dawson Simpson, Nathan Vardy and Allen Christensen also dropped in to interact with our Auskickers.

Thank you to all the parents who donned the vest and took to the role of coaching. Our kids were certainly kept busy with some well-organised drills. And to make the most of the great pics taken by parent Brendan Quirk, this newsletter edition has doubled in size – you will see there is a second page.

In a couple of weeks, we will be having our very own clinic – Sunday, June 13 – with a couple of Geelong players coming along to Queens Park. Again, we can't be certain who they will be, but it's just great that any Geelong player is available to come and interact with the next generation of stars.

Mums, there's a special day this Saturday at Ammos just for the ladies. See next column for more information.

Richo and Rick won't be there at Ladies Day, but we will catch you as always on Friday at Auskick.

See you then!

Things to Remember

- Coffee van will be at Queens Park this Friday from 4.45pm.
- Cats players' visit - Sunday, June 13 @ Queens Park. No Friday night Auskick that weekend (June 11).
- Last Auskick for the Term 2 will be June 25, returning on July 16.

Ladies Day at Ammos – this Saturday, June 5

This Saturday, Ammos Football & Netball Club is holding a special event. Bianca Clark says "Ladies Day is a great opportunity for the ladies from all sections of the club to get together and enjoy themselves in our clubrooms. It's always a good day with lots of food, wine, and fun". See details above.

Cats' players visit – Sunday June 13

Once a year we get the opportunity to have a couple of Geelong players visit us at our clinic. We have been advised that our day has been booked for Sunday morning, June 13. As this is the Queen's Birthday weekend, we will not run a Friday night session on June 11. More details will follow shortly re: times.

~Football Integration and Development Association~

The Football Integration and Development Association Victoria provides competitive AFL football for players with an intellectual disability.

FIDA are currently looking for players and volunteers (including a co-ordinator) in the Geelong area.

Our goal of establishing a Geelong based FIDA side by 2011 would provide people in the Barwon Region (who have an intellectual disability) the opportunity of playing AFL footy in a team based environment. Something many could only have dreamed of.

But we can't do this alone and need your help. So, please give serious consideration if you or your club can offer any support.

To discuss further please contact me on the number below.
