PRESIDENTS CORNER

Welcome again to all involved at the Geelong Amateur Football & Netball

Club. First of all I would like to thank Nicole, Bianca & netball girls for organizing a great ladies day when we played Portarlington on the 5th of June with all ladies enjoying themselves by socializing, playing games and having a few quite drinks.

We must also thank the girls from Geelong Football Umpires League for putting on a great display of umpiring in all four grades of football for the day, we will continue these in future years to encourage more females to take up the difficult role of umpiring, remember no umpire no game. Our last two games of senior football have been great to see our side back to the form of seasons 2008 & 2009. Great win over Portarlington and even better win against Queenscliff, The reserves & u/18s are also been in good form so continue on your winning way along with our u/16s & u/14s who are the future of this great club. Netball girls are doing a great job in all grades so continue to do the club proud.

I would also like to thank channel 31 for coming down to broadcast & televise the game against Queenscliff with parts shown on their show Friday night from 7pm

This week it is off to Spring Creek Reserve in Torquay for the match of the round so all get down there to support the club and see us come home with some great wins

Thursday nights at the club have become a great time to have a meal, socialize and hear the teams from u/14s up to the seniors for the coming weekend so get down and have some fun on a Thursday night.

Good luck to all—Paul Sullivan

UPCOMING EVENTS

SENIOR FOOTBALL NEWS

True to my prediction in the previous newsletter the Senior side has continued its improvement after the grueling team development session

and has produced two good wins in the past two weeks.

In miserable conditions at Queens Park we beat Portarlington with a score line that defied the conditions, having 46 scoring shots and kicking 27 goals. Our forward line has really made some progress the last few weeks and found some consistency of the players rolling through which we are starting to see some real benefit. Jason Tom helped himself to eight goals and Tim Clark straightened up the boot slotting six.

In the weekend just gone we faced Queenscliff which pitted first and second on the ladder. The senior side completely jumped the Coutas in the first quarter which was a testament to their preparation, the score was 7.7 to 1.0 at quarter time and the margin stayed near that all day, again Jason Tom topped the goal kicking with 7 goals. The pleasing thing for me over the past three games has been the even spread of contributors, this goes a long way to improved output out on the ground.

A big month ahead for both sides as we play the majority of sides in the top five, here's hoping in two weeks time we have another two wins under our belt.

NETBALL NEWS

Sure, over the past two weeks we have played plenty of netty. We clean swept Portarlinton and had good wins for all senior sides against Anglesea. But if you read the record (which you should!!) you would already know that. So this week, I'd like to focus instead on Ladies Day, the greatest day on the netball calendar (other than Mad Monday) and a day that the male members of the club know very little about.

Nominations for best on this season must go to:

1. Clarky—she may be one of our oldest netballers but this woman can sure back it up. A huge night at her brothers 30th the night before and still one of the last on the Lambies dance floor on Saturday night. Sensational!
 2. Junior Flynny—Trevor is Lozza's fiancé...not yours!
 3. Tash Preece—for her boyfriend who not only went through the Macca's Drive Thru PRETENDING to be a car, but made sure he put up his window before driving away.
 4. Grayskulls—8 years at the club and sober on Ladies Day?? No deal!
 5. Susol—Can someone please tell her that if you're looking for someone to spear tackle when intoxicated, Robbo is not a logical first choice.
 6. Maffra Thompson—for her continually support of Australia's potato farmers.
 7. Breza Kerr—one day she might be able to keep up with her elders & back it up the next day.
 8. Choppa—actually making it to ten pin bowling & sing-star Saturday night
- All in all a good day was had by all according to President Bosk...she failed to mention her own efforts however - I'll leave it to her to fill you all in!

JUNIOR FOOTBALL NEWS

This year our U18 side has been bolstered by three relatively new players to the Ammos club and in this weeks newsletter we would like to make them a feature of an U18 column.

Patrick Smith came to us after previous years with South Barwon. A fast player able to play in a variety of positions with an uncompromising attack on the ball and solid disposal makes him a welcome addition to our line up. A great fella, he works hard at training and during the game and a great person to have at our club.

Andrew Silaev came to us from East Geelong and has quickly become a leading ruckman. With a phenomenal leap and accurate tap, he has become one of the best ruckman in the league and a dominant feature of our centre line up. With aspirations to beat any other ruckman in the game Ando is a player well worth watching. Ando was recently awarded the Spirit of Football Award for the BFL U18 in Round 9.

Alistair Goodall has had a couple of dips at playing with Ammos throughout junior years but this year we have him cemented in as one of our core players. Ali has pace and is gathering confidence each week. He breaks lines with his ball gathering and pulls out evasive maneuvers that nullify the opposition. Capable of doing the exceptional Ali is an exciting player to watch.

SOCIAL EVENTS**LADIES DAY**

A huge thank you to all who attended!

The day turned out to be our most successful Ladies Day down at Queen's Park with over 80 ladies (and a few gentleman) attending the day.

Guest speaker, Roxanne Bennett, provided a lot of laughs and insight into her experience with breast cancer and we thank her again for donating her time on the day.

With plenty of good food (thank you to Paula & Tony Kelly), lots of fun raffles, and a 'little' bit of wine adding to a great day, we hope the following year's Ladies Day will only get bigger and better!

**GREENHOUSE LEAGUE****** WANTED—CLUB COORDINATOR ****

Do you want to not only contribute to helping our environment but also help out our club as well? Visit the Victorian governments 'Green House League' website to find out more and speak to Len Doak. www.greenhouseleague.vic.gov.au

GreenHouse League is an 8 week challenge to win points for your football or netball club by reducing the energy and water your family uses and the rubbish you produce at home.

For every action you take at home your club earns points. The more points your club earns, the more money it will raise. Your club can put the money towards all those things it's always wanted. Like new uniforms and equipment, a new water tank or two at your clubhouse, or even some new low-flow showerheads.

Club Coordinator Duties

The Club Coordinator will take on the following tasks:

- act as the key contact person for the club in everything to do with the GreenHouse League
- promote the GreenHouse League to households in the club
- give the Club Code to households to allow them to sign up
- encourage households to sign up for the GreenHouse League
- keep an eye on how many households are signing up (50 households is the target)
- cheer your team on, and support their game (for example, by sending reminder emails to households)
- promote your club's progress (for example, points tally, household leaderboard, and popular actions taken in households) to club members
