

Coordinators Update

Greetings Auskickers!

It was tremendous to see so many grandparents coming down to Queens Park last Friday night. They seemed to enjoy the action on the field and many stayed on to make the most of the hospitality upstairs afterwards. My own parents got to see their grandson Cooper running around for the first time on a football field. The comment was made that he looks like he'll be a better player than his dad! But then that wouldn't be too hard, I pointed out.

The weeks are counting down – here we are in August and the footy finals are just around the corner. Here is a reminder of the big action remaining for the Auskick season.

Friday, August 13 – last 'official' night of Auskick. One big surprise for all the kids.

Friday, August 20 – no drills, just grid games! We know how much our kids love the real deal, so we have decided to run this optional night to let them just play. Games will be arranged according to age and each child will rotate through defensive, midfield and forward positions. We would really appreciate as many parents as possible to help with supervising the matches – keeping the kids in position, etc.

Sunday, August 29 – Amateurs Juniors & Auskick Break-up.

9.00am to 1.00pm. Food, games, activities, kids' rides. Medal presentations to all Auskickers. A great way to finish off the season – on the oval at Queens Park. Cost \$5.00 per child.

RSVP and payment can be made at any of the remaining Friday evenings.

See you this Friday!

Richo and Rick

Other Information

Under 9 competition

You will have noticed that on most nights, at the conclusion of Auskick, that junior games are being played on our oval. They are the Amateurs Under 9 teams, of which there are three, playing in the local Newtown Little League. Amateurs has multiple teams in the Under 10, Under 11 and Under 12 competitions as well.

Under 9 games are played on Friday nights, with one mid-week training session.

If your child is interested in being part of the Amateurs Under 9 program in 2011 or you have any questions, then let me know via email. I'll pass your details on to the Junior club contact.
